6 October 2023

The Catholic Community of the Camden Haven are in full support of the application from Community @ 3 for a grant which would enable them to purchase an ex-motel property for transitional accommodation for the homeless.

Community @ 3 is a community based, not for profit registered charity which has been working in the Camden Haven area for some years. They have a particular outreach to the poor, the homeless, those in our community who are lonely or in any way in need.

Not only is Community @ 3 supportive of individuals on a day-to-day basis but in times of crises, such as the bush fires a few years back, or the more recent flooding in this area, Community @ 3 have been there to help and offer support wherever it was needed.

I congratulate Community @ 3 for their dedication and support of our local community and assure them of our continued support.

Michael Roohan
Parish Priest
